JLPT is back!

Geoff and Sam have registered and are getting ready to take the test on Dec. 5. Good luck!

Group conversations for intermediate students are now active.

Intermediate students (over N4 equivalent) get together once a month to polish up their communication skills. After warming up with language games, they talk about the set up topics. At break time, they experience Japanese sweets and tea. This lesson is also good for learning Japanese manners.

※ Beginners-level group lessons will be started January, 2022.

私は毎月の会話クラスを楽しんでいます。初めは、緊張しました。でも、会話クラスは楽しくて、たくさんのお話を習います。みんな、リラックスできるので、ゲームで始めるのはいいと思います。私は道順の説明が下手ですが、他の生徒と一緒に練習する方が勉強しやすいです。また、他の生徒と一緒に日本の文化を学べるのも嬉しいです。私は毎月会話クラスを楽しみにしています。

I am really enjoying our monthly conversation lessons. At first, I was nervous. But they are a lot of fun, and I learn a lot every month. I think it's great how we start every conversation lesson with games, as it lets everyone relax. I'm not good at explaining directions, but practicing with other students makes studying easier. It's also nice to learn Japanese culture with other people. I look forward to conversation lessons each month.

環先生は今年の夏から私と他の生徒たちに一か月に一回グループレッスンを教えてくれます。私は他の人と日本語を話す練習は大切だと思います。この授業でみんなは私と同じ感じらしくて、いっしょに勉強するのはちょっとむずかしいですが、楽しいです。みんながんばりましょう。初級の生徒もグループレッスンをうけてみてください。

Since summer this year Tamaki Sensei has been kindly teaching a group class with some other students and I once a month. I think practicing speaking Japanese with other people is important. Being in a group settings shows that we all seem to have similar feelings, learning together is challenging but also fun. Everyone, let's do our best! Beginner students as well, please give group lessons a try.

Welcome to the class!

Two new people have registered as regular students.

" 皆さん、こんにちは! I am a new student of Tamaki-sensei and I am really enjoying our private lessons so far. I studied Japanese on my own for around 9 months prior to signing up for lessons, but found minimal success. Tamaki-sensei has provided me with so much on conversational etiquette, pronunciation, and gently points out the places where I have room to grow. I would love to go to Japan once the COVID-19 pandemic allows, and I can't wait to meet more friends along the way."

I discovered Tamaki Sensei's Japanese course online after struggling to learn Japanese myself. Thanks to Tamaki Sensei's advice and support, I have become a lot more confident in my ability to learn the language. I am hoping to apply for the JET program in the future, and I feel a lot more confident that I will be able to succeed working in Japan. I hope to eventually work my way up to completing the JLPT N4 test.
