**ATHLETIC JAPANESE GAME AND CHINESE LUNCH.  
10 PEOPLE JOINED AND ENJOYED LANGUAGE LESSON  
AND BADMINTON.**

For the Spring event this year Tamaki Sensei planned badminton and Japanese games at Kinsmen sports center with a Chinese lunch afterward. Tamaki-sensei had prepared some Japanese games as a warm-up. For example, in one of the games we had to figure out how many "beats" were in a Japanese word, and then we had to form a group with the same number of members. The Chinese lunch afterwards was delicious, and it was enjoyable to interact with the the students in the class.

### BEGINNER'S GROUP CONVERSATION CLASS HAS STARTED!

The conversation class was a great way to get together with fellow students and test our conversation skills. Tamaki-san creates a friendly environment that helps alleviate the pressure of speaking a new language in front of people. As soon as you sit down, only Japanese is spoken, which is a great way to challenge our skills and abilities to adapt. Overall, it is a wonderful experience.
